### OVERVIEW

Dr. Zhou, Patent Attorney, received a Bachelor Degree in Mechanical Engineering & Automatization from University of Science and Technology of Beijing in 2001, and a Doctor Degree in Mechanical & Electronic Engineering from University of Science and Technology of Beijing in 2007. In 2001-2007, he made many researches on industrial measurement system, integrated circuit, measurement apparatus, signal processing, and mechanical design, developed many measurement apparatus mainly used to oil industry, and published a book regarding AutoCAD in China Water Power Press and tens of relevant theses in the core periodical.

Dr. Zhou's practice focuses mainly on patent prosecution and patent drafting. He has successfully represented some major corporations in patent prosecution. He has handled hundreds of patent filings and prosecuting cases covering various technical fields, particularly the fields of mechanical engineering, semiconductor technology, MEMS, electronic engineering, industrial automation, industrial measurement, machine tools, signal processing, micro-electronics automatic control, computer engineering and applications, solar energy, etc. Dr. Zhou has also represented renowned clients in many patent reexamination cases, some patent invalidation cases and patent litigation cases. In addition, Dr. Zhou has also drafted patent applications for clients and filed these patent applications in China and abroad, such as in USA and Europe.

---

### EDUCATION AND TRAINING:

- University of Science and Technology of Beijing (PH.D. Mechanical & Electronic Engineering, 2007)
- University of Science and Technology of Beijing (B.S. Mechanical Engineering & Automatization, 2001)

---

### QUALIFICATION:

Patent Attorney since 2009

---

### TECHNICAL AREAS:

Semiconductor Device, Mechanical Engineering, Signal Processing, Automatic Control, Industrial Measurement

---

### PROFESSIONAL AFFILIATIONS:

All-China Patent Agents Associatio

---

### WORKING LANGUAGE

English, Mandarin

---
