📍 Beijing

OVERVIEW

1996 - 2001: worked as a lecturer in Peking University, China, teaching Organic Chemistry courses;

2004 - 2005: worked as a JST researcher and a post-doctor in Hokkaido university, Japan, engaging in the research of novel materials for Organic Light Emitting Devices (OLED);

2006- now: NTD Patent & Trademark Agency Ltd.

Ms. ZHOU focuses mainly on the patent prosecution in China for oversea clients. Handled hundreds of patent filings, and the technical areas covered various fields of Chemistry, such as Organic, Inorganic, Metallic materials and functional polymer materials, batteries and drugs etc. Represented clients in many patent reexamination and invalidation cases. In addition, drafted many patent or utility model patent specifications for domestic clients and authorized PCT applications outside of China, such as in USA.

Ms. ZHOU possesses a strong interest in new techniques and can communicate with the inventors well, and provide good suggestions in the response of Office Action.

EDUCATION AND TRAINING:

- 2001-2004: Ph.D. degree , Pharmaceutical Department, Hokkaido University, Japan
- 1993-1996: M.S. degree, School of chemical engineering and materials, Beijing Institute of Technology, China
- 1989-1993: B.S. degree, Chemical Department, Anhui Normal University, China

QUALIFICATION:

Patent Attorney since 2008

TECHNICAL AREAS:

Organic, Inorganic, Metallic materials and functional polymer materials, Batteries; Drugs foods; Coatings; Colors and dyes; Petroleum products and processes; etc.

PROFESSIONAL AFFILIATIONS:

All-China Patent Agents Association

WORKING LANGUAGE

English, Japanese, Mandarin
